Projects

Student Management System | JavaScript, Responsive Web Design Oct 2025 - Dec 2025

- Developed a web-based Student Management System wherein users can add, view, and delete student records.
- It offers an interactive interface with real-time updates using JavaScript, arrays, and DOM manipulation for efficient data handling.
- Applied front-end development skills to build a responsive and user-friendly application for managing student data..

Github Repository Link: <https://github.com/avanish2006/Student-Management-System.git>

Tourism Management System | PHP, Responsive Web Design Feb 2025 - Apr 2025

- Developed a tourism platform wherein users can explore tour packages,make booking, and send enquiries with user authentication
- It offers dynamic data from MySQL,session management, responsive UI , and an admin panel for managing packages,booking and user issues.
- Applied full-stack development skills to implement efficient database operation and build a functional user-friendly travel booking web application.

Training

Summer Training For Data Structures & Algorithm | Certificate Jun 2025 – Jul 2025

- Completed the Mastering Data Structures and Algorithms training program under Board Infinity,gaining strong foundation and advanced knowledge of core DSA concepts.
- Developed hand-on problem-solving skills by implementing various data structures(arrays,linked lists,stacks,queues Tree,graphs)and algorithms(sorting,searching,recursion,dynamic programming,greedy techniques).
- Enhanced logical thinking,time-space optimization skills,and the ability to approach coding challenges methodically for interviews and real world applications.

Certificates

Python programming Feb 2026

Skill India — Certificate Link

Software Engineer Intern Dec 2025

Hacker Rank — Certificate Link

Cloud Computing Apr 2025

Swayam NPTEL — Certificate Link

Technical Skills

Languages: C++, C, Java, JavaScript, Python, Kotlin,

Technologies/Frameworks: React JS, Node JS, Express JS, PHP,

Tools/Platforms: Git, GitHub Android Studio, XAMPP, Vercel, VS code

Skills: Data Structures and Algorithms, Problem-Solving, Responsive Web Design

Education

Lovely Professional University Punjab Jalandhar, Punjab
Computer Science and Engineering — CGPA: 6.4 **2023 - 2027**

Maharishi Vidya Mandir Jammu,India
12th with Science — Percentage: 61 **2022 - 2023**

Maharishi Vidya Mandir Jammu,India
10th with Science — Percentage: 84 **2020 - 2021**
